## **2021 RAIN POLICY**

- A. Track officials may cancel a race if dangerous or unsafe conditions arise. If the race is called because of an accident, weather or any other unforeseen situation, the payoff will be based on the last completed green flag lap. All cars involved in the final caution, stop on the track, and pit will be scored at the end of the last completed lap. For the race to be considered official, 50% or more of the scheduled number of laps must be completed.
- B. If management's selected number of preliminary races or part of the features have been completed and the weather or any other type of situation forces the program to be cancelled, there will be no "rain out". Make-up features will be run in the subsequent nights, if possible, and no new cars will be added to the field. Rain checks will be void.
- C. If a "rain out" is declared, management will specify which event(s) your rain check will be good for. Rain check will be redeemable at event's face value. No refunds will be given. The possibility of a rainout or circumstances beyond our control that force the postponement of an event is a risk you assume every time you enter the grounds.
- D. Exception: If feature event(s) is/are cancelled and the show has been considered a complete show, and no rain date will be utilized, the total feature purse may be split equally among the qualified drivers, if 50% or more of the feature has not been completed. Management reserves the right to choose a scenario that best fits the interest of Dog Hollow Speedway, which may or may not include a make-up night or refunding of all gate receipts.
